**Annual Membership Drive 2010**

**Dear Chapter members and community friends:**

The Delaware Chapter of People to People International would like to invite you to join us or renew your membership for the calendar year 2010. We know that you are interested in international affairs and in understanding people around the world. We encourage you to join during our 25<sup>th</sup> Anniversary Year to support the development of programs and events that will enhance your understanding of global issues and provide you with opportunities to interact with people from around the world!

Foremost among our activities are exciting programs that cover a whole range of topics. You can attend fascinating cultural presentations or you can try hosting people in your home to foster new friendships! You will be invited to attend private dinners with professionals from many countries. Perhaps you will wish to become active in a new humanitarian project: *Books for Overseas Youth!* As a member in 2010 you can help us collect books to give or send to teachers of English around the world.

Please take a moment to complete the enclosed membership information form (also on [www.ptpde.org](http://www.ptpde.org)) and mail it to us along with your check. Your dues support all People to People Delaware's activities. By being a member of the Delaware Chapter, you are automatically a member of PTPI. We especially appreciate Pacesetters, who generously give larger amounts that help to financially strengthen our Chapter. As we are a 501 (c)(3) organization, your contribution is tax deductible as provided by law.

We value your support and involvement as a member, whether new or renewing, and urge you to participate in our programs and serve on our committees. Please indicate your areas of geographical interest as well as activity involvement. Perhaps you would like to organize a program or participate in a *Circle of Understanding*.

One of our Chapter's goals is to be more GREEN. We continued to use recycled paper for our brochure and membership campaign letters this year. In our effort to be an environmentally friendly chapter, we have also expanded our electronic communication and e-mail announcements. To help us in this effort please provide us with your e-mail address in the membership form.

Your membership and your involvement help assure the Chapter's ability to offer meaningful programs to members and the community at large! Please feel free to contact us at any time at [ptpde@ptpde.org](mailto:ptpde@ptpde.org).

Sincerely,

The Delaware Chapter of People to People International  
Membership Committee
