Dear Friends,

In the name of the Permanent Mission of The Gambia to the United Nations and the Government and people of The Gambia, I am pleased to extend to you all, best wishes and success in all your undertakings for the New Year and throughout this decade.

Power up Gambia, People to People Delaware Chapter and all your sponsors and supporters - The Gambia is indeed blessed to have friends like you. Last October I was truly amazed and touched by the exceptional qualities of organization, imagination and commitment demonstrated by you all during the Jubilee Gala of People to People, Delaware Chapter in service of a greater good. On behalf of the Community of Bwiam

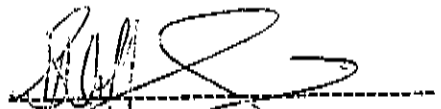

and all the beneficiaries of your outstanding contributions toward better health care delivery services in The Gambia - a million thanks.

On a personal note I wish to express my profound gratitude to the teachers and 3<sup>rd</sup> grade students of Sanford School for the wonderful gift of a model of Sulayman Junkung General Hospital (SJGH). In the following students I see budding heroes and heroines who are well on their way to becoming global citizens who can act to transform the world:

1. Olivia Civiletti
2. Alexa Conti
3. Diana Rios
4. Zachary Burchan
5. Bailey Wohlman
6. Alex Voss

In the same vein, I salute teachers Kim de Haven and Patrick Mortin, for nurturing and mentoring young minds to think and act global. You would be pleased to note that the model is on its way to SJGH where it will be prominently displayed and I fervently hope that it will serve to inspire young Gambians to emulate your excellent examples of empathy and solidarity .

Warmest regards,

Susan Waffa-Ogoo (Mrs.)

Permanent Representative**
